GBBPA@hotmail.com

Dear Supporters of Music,

The Green and Black Band Parents Association (GBBPA) is a Non-Profit 501c3 Booster Club that supports the Felix Varela Sr. High School Music Department by securing donations and financial support from individuals, businesses, and community organizations. We are an organization that seeks to provide opportunities for students to have an enriching musical education and experience beyond what the local public schools are able to supply.

We are seeking donations to help maximize the funds received through student participation fees and fundraising. Your donation helps the Booster provide students with performance opportunities, lessons, transportation, and professional training.

In return, we will assist in advertising your business or organization as one that supports music in the schools and our ongoing efforts to enrich the community's and school's musical offerings. Sponsors are acknowledged in our winter and spring concerts programs, on our website at www.bandofmystery.org. Also, depending on the level and timing of the donation, sponsors are recognized on the Show Shirts that the students wear throughout the year at performances.

In addition to their musical and fundraising endeavors, students in the Felix Varela Music Program are required to maintain above Miami-Dade County satisfactory levels in academics and attendance in order to participate in practices, performances, and competitions. They devote much of their free time because they believe in, and receive benefits from being involved in music.

The Green and Black Band Parents Association wants every student to have the opportunity to go higher and further with his or her musical skills and abilities. We need your assistance and support in helping these wonderful students to realize both their potential and their dreams.

Thank you in advance for supporting the music programs at Felix Varela Sr. High School and in your community.

Sincerely,

Ronda Fleites
